Directions: For each question in this part, you will hear four statements about a picture in your test book. When you hear the statements, you must select the one statement that best describes what you see in the picture. Then find the number of the question on your answer sheet and mark your answer. The statements will be spoken only one time and will not be printed in your test book.

Example

Statement (C), "They're standing near the table", is the best description of the picture, so you should select the answer (C) and mark it on your answer sheet.
